

Lucky Harmony Benjamin

Creative Media Solutions Expert | Social Media Manager

Direct Call - **08053642425** | WhatsApp only - **09021359415**

I am a dynamic and innovative professional with a passion for transforming ideas into impactful digital experiences. With expertise spanning multiple creative disciplines, I bring a fresh perspective to social media management, content creation, and digital strategy.

Areas of Expertise

- ✓ **Web Development:** Skilled in ReactJS and WordPress, creating responsive and user-friendly websites tailored to brand objectives.
- ✓ **Graphic Design:** Proficient in CorelDRAW, Illustrator, and Photoshop for visually compelling designs.
- ✓ **Video Editing:** Experienced with Premiere Pro, Adobe Audition, DaVinci Resolve, and After Effects for producing professional videos.
- ✓ **Social Media Management:** Expertise in strategic planning, content scheduling, audience analysis, and campaign management across platforms.
- ✓ **SEO & SEM:** Leveraging search engine optimization and marketing strategies to improve online visibility.
- ✓ **Content Creation & Printing:** Delivering high-quality content for both digital and print mediums, aligned with brand goals.

Work Approach

As a Creative Media Solutions Expert, I focus on delivering innovative and results-driven services, backed by a strong understanding of industry trends and audience behavior. I excel at remote collaboration, ensuring consistent communication and timely project delivery.

Special Offer

To showcase my capabilities, I am offering a complimentary two-week service. During this period, I will manage your social media accounts, create tailored content, and deliver insights to highlight the potential value of our collaboration. I look forward to contributing to your company's success.
