Visioneers' Mantras

The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord's favor. **Luke 4:18-19 (NIV)**

Suppose a brother or a sister is without clothes and daily food. If one of you says to them, 'Go in peace; keep warm and well fed,' but does nothing about their physical needs, what good is it? In the same way, faith by itself, if it is not accompanied by action, is dead." **James 2:15-17 (NIV)**

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me. **Matthew 25:35-36 (NIV)**

In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive' **Matthew 25:35-36 (NIV)**

-Tomi Vincent

Vision Statement

Empowering disadvantaged individuals to break the cycle of poverty, cultivate financial independence, and thrive as entrepreneurs, creating a resilient and prosperous community where compassion and responsibility drive sustainable change.

Mission Statement

Our mission is to provide comprehensive training, resources, and support to marginalized individuals, equipping them with the knowledge, skills, and opportunities needed to escape poverty, establish successful businesses, and contribute positively to their communities. Through a holistic approach centered on compassion and responsibility, we seek to foster economic empowerment, promote social inclusion, and inspire a culture of resilience and self-reliance among those we serve.

WHY CARE

Demonstration of Christ's Love: The CARE project provides a tangible demonstration of Christ's love and compassion to those in need. Through acts of kindness, service, and support, individuals experiencing hardship can see the love of Christ manifested in practical ways, making the gospel message more relatable and compelling.

Building Trust and Relationships: Engaging in acts of care and service builds trust and rapport with individuals in the community. As relationships are formed and nurtured through the CARE project, there is an opportunity to share the gospel message in a context of trust and mutual respect, increasing receptivity to the message of salvation.

Meeting Practical Needs: By addressing the practical needs of individuals, such as food, clothing, shelter, and healthcare, the CARE project demonstrates that the church genuinely cares about the holistic well-being of the community. Meeting these needs opens doors for deeper conversations about spiritual matters and the hope found in Christ.

Opportunity for Testimony: As volunteers and participants engage in acts of service and care, they have the opportunity to share their own testimonies of how faith in Christ has transformed their lives. Personal testimonies are powerful tools for evangelism, as they provide real-life examples of the impact of the gospel and can resonate deeply with others.

Seminar Topics

Financial Literacy

Empowering disadvantaged individuals to break the cycle of poverty, cultivate financial independence, and thrive as entrepreneurs, creating a resilient and prosperous community where compassion and responsibility drive sustainable change.

Entrepreneurship Basics

Entrepreneurship Basics: Idea generation, market research, business planning.

Skills Development

Training in specific skills relevant to potential businesses (e.g., culinary skills, sewing, carpentry, etc.).

Personal Development

Personal Development: Goal setting, time management, communication skills.

Empowerment Strategies

Access to Resources

Provide access to resources like computers, internet, and relevant books/materials.

Mentorship

Pair participants with mentors who can provide guidance and support.

Networking Opportunities

Connect participants with local business networks and potential partners.

Microfinance

Offer microloans or grants for business startup capital.

Community Support Groups

Establish support groups where participants can share experiences and encourage each other.

Funding

Grants

Grants from government agencies, charitable organizations, or foundations focused on poverty alleviation and entrepreneurship

Corporate Sponsorship

Approaching local businesses for sponsorship or donations.

Crowdfunding

Online platforms to raise funds from a larger community.

Social Impact Investment:

Partnerships with investors interested in social impact to provide funding in exchange for equity or repayment with interest.

Monitoring and Follow-Up

Regular Check-Ins

Schedule regular follow-up meetings with participants, ideally on a monthly or quarterly basis, to assess progress and address any challenges they may be facing. During these check-ins, encourage participants to share updates on their businesses, including successes, setbacks, and any assistance they may require.

Data Collection

Establish a system for collecting data on key metrics related to the participants' businesses, such as revenue, expenses, profit margins, customer feedback, etc.

Feedback Mechanisms

Create avenues for participants to provide feedback on the program's effectiveness and relevance to their needs. Encourage open communication and constructive feedback, ensuring that participants feel comfortable sharing their opinions and suggestions for improvement.

Continuous Mentorship

Continuous provision of mentorship and support even after the initial training period.

Continuous Mentorship

Matching Program

Matching participants with mentors who have relevant expertise and experience.

Structured Mentorship

Developing a structured mentorship program with defined goals and expectations.

Peer-to-Peer Support

Encouraging participants to support each other through peer mentorship.

Online Platforms

utilization of online platforms for virtual mentorship and support, especially for participants in remote areas.
